April 2020 -

Volunteering for the telecounseling helpline during Covid-19 outbreak

Sadhana Village

May 2018 - June 2019

Volunteering

Volunteered at residential care centre of Sadhana Village. It included residents who were intellectually disabled along with some neurological deficits ranging from epilepsy, cerebral palsy to schizophrenia, depression. These residents were of varied age. My job was to conduct skill based workshops with them and conduct therapy sessions.
